The five properties total 122.8 acres off Woodward Road in Lyndeborough. Owners Tom and Ginny Chrisenton propose adjusting the lot lines between five of their lots. The proposal will result in adjusting the acreage, making four out of the five lots have over 25-acres each and allowing all lots to have road frontage and access off Woodward Road.

The meeting will follow current COVID-19 guidance and restrictions in effect at the time.

All interested parties are invited to attend.
