Notice of PUBLIC HEARING
J. A. Tarbell Library, 136 Forest Road

Thursday, November 16, 2023, 12:00 noon

In accordance with RSA 53-E you are hereby notified of a PUBLIC HEARING to consider approval of the

Lyndeborough Community Power Plan

The Town of Lyndeborough is considering implementing a new Town program called Community Power, or in other states, called Municipal Aggregation. If adopted by a majority of Town voters, The Lyndeborough Community Power Plan would empower the Town to enter into Electric Services Agreements with Competitive Electric Power Suppliers to serve the electric supply needs of residents and small businesses in Lyndeborough. The intent is to pool our electricity demand and use the power of the competitive market for cost savings and more local renewable energy supply choices.

THE DRAFT LYNDEBOROUGH COMMUNITY POWER PLAN IS AVAILABLE ON THE TOWN'S WEBSITE AT <https://www.town.lyndeborough.nh.us/community-power-committee>.

You are invited to attend and offer your comments. If you are unable to do so, the Committee will accept your comments in writing prior to the hearing and read them aloud at the hearing.

They can be sent to:

Lyndeborough Community Power Committee
9 Citizens' Hall Road
Lyndeborough, NH 03082

A second meeting will be held on November 15 at 7:00 pm at Citizens' Hall. The content will be the same.
