APPLICATION FOR SUBDIVISION CHECKLIST

A subdivision application shall contain the following information, where applicable, to be considered complete. However, this checklist is intended only as a guide; the Planning Board may require additional information as deemed necessary. Fulfillment of the checklist does not supersede the requirement of reviewing the subdivision regulations and providing all information and materials required therein. All plans shall conform to the applicable requirements of the Zoning Ordinance, Subdivision, Site-Plan, Driveway and Growth Management Regulations, Standards for Street and Road Design, as well as other local, state and federal requirements.
